

## Retail Management Certificate Program

### IDAHO

**Important Note:**

Currently, the Idaho Community Colleges are not offering the WAFC endorsed Retail Management Certificate. If you are interested in adding a specific Idaho Community College, you are encouraged to call their business department and ask them to contact Cherie Phipps (WAFC Education Director) at [ckester-hipps@cox.net](mailto:ckester-hipps@cox.net).

In the mean time, there are two approved community colleges in neighboring states (Oregon and Washington) that operate a satellite campus in Idaho. See below. You may also take the courses on-line from one of the colleges listed below. You are encouraged to contact one of these colleges directly to begin your classes.
